All Graduates are warmly invited to attend the Graduate Interdisciplinary Seminar (GIS) series, which will be running on Friday evenings throughout the Term. The Seminar format is usually two twenty-minute papers, each followed by questions and discussion, or one paper followed by a ‘snippet’ (a shorter presentation focusing on a more specific issue or problem, to be discussed at greater length). The GIS provides an ideal forum for discussing new ideas and developing presentational skills in a relaxed, friendly and supporting environment. The Seminars are always followed by drinks and dinner at a nearby pub, to which everyone is welcome.
