COME SEE
BE INSPIRED
EXPERIENCE CLASSICS AT CAMBRIDGE CLASSICS
the study of ancient GREECE + ROME,
LATIN + GREEK,
IS FOR EVERYONE!
BRING YOUR CLASS TO VISIT US
and experience both Cambridge and Classics hands-on.

This initiative is open to teachers of students in Key Stages 3-5 in the maintained sector.

Students do not currently need to study Classical Civilization, Ancient History, or the ancient languages - an interest in doing so is enough.

We are pleased to be able to offer help with travel expenses and provide lunch here in Cambridge free of charge.
