This June, explore the Cast Gallery in large print!

Temporary Display

#MOCAinventory

Bay C

Did you know that the Museum has a collection of over 10,000 pottery sherds? They come from all over the ancient world, from Bronze Age Anatolia to Roman Lincoln. We're currently checking and cataloguing every single one with the help of student volunteers. You can follow our progress in our virtual gallery on Facebook and Twitter under #MOCAinventory, and we're putting some of our favourites on display in Bay C. The display's evolving as we make new discoveries, so keep looking!
