EXPERIENCE CLASSICS AT CAMBRIDGE

CLASSICS

the study of ancient **GREECE + ROME**,
LATIN + GREEK,

IS FOR EVERYONE!

BRING YOUR CLASS TO VISIT US

and experience both Cambridge and Classics hands-on.

This initiative is open to teachers of students in Key Stages 3-5 in the maintained sector.

Students do not currently need to study Classical Civilization, Ancient History, or the ancient languages - an interest in doing so is enough.

We are pleased to be able to offer help with travel expenses and provide lunch here in Cambridge free of charge.
